

## Ridgewood Alap 208

Birth Date: 05/28/2012  
Birth Weight: 85 lbs.

[Reg: AAA #17584561](#)

Ridgewood Alap 208 is a young bull that has developed very well in an all grass environment that has thickness and style. The pictures above were taken on 9/15 after helping out with breeding season cleaning up cows and heifers.

Alap of Wye is an outcross sire for many herds and has left his influence on many low input ranches across the U.S. including Pharo Cattle Company, Cotton Angus, and Jauer Angus.
